

# Your photo on your TASMMap!

**Land**Tasmania

**You decide what your maps look like!**

*TASMAP is calling on keen map users and photographers to **submit cover photos** for the upcoming **Freycinet and Cradle Mountain – Lake St Clair National Park Maps**.*

*The rules are simple; it needs to be an interesting photo representing an area covered by the relevant map.*

Entries will be judged by a panel, with the winning photo used for the front cover of the upcoming National Park Map. The winning photographer will be acknowledged on the back cover.

**They will also receive a complete National Parks Map Set, valued at \$76.** This set includes all 8 National Park maps produced by TASMAP including Cradle Mountain - Lake St Clair, Douglas-Apsley, Hartz Mountains, Maria Island, Mount Field, Tasman, Freycinet and Walls of Jerusalem.

**Entries close on 18 December 2015.**

#### **A few tips to remember:**

- Photos should represent the look and feel of the area.
- Size must be at least 95mm high, 115mm wide at 300 dpi
- Refrain from making people or pets as the focus.
- Make the photo interesting and evoking; make people want to go there!

Entries can be submitted through the TASMAP eShop at the following link:
